DEPARTMENT OF PERIODONTICS

CDE PROGRAM ON "INTEGRATIVE DENTISTRY"

Department of Periodontics conducted a CDE program for the undergraduates, interns, postgraduates and staff of DAPMRV Dental college, on the topic "Integrative Dentistry" on 4-02-2020 at 1:30 pm in the auditorium at second floor of D.A.P.M RV Dental College, Bangalore. Dr. Vaibhavi Joshipura (MDS; Consulting periodontist, CEO InteDent Health care Pvt.Ltd), was the speaker for the program.

A total of 112 participants attended the lecture, the duration was two hours.

DR. Vaibhavi Joshipura, shared her immense knowledge on the topic of "Integrative Dentistry", where Ayurveda meets general dentistry. This made the session very interactive and informative, for the participants.

Respected Dear Madam/ Sir

Greetings from 3M!

3M is one of the world's most innovative company in various fields with more than 45 innovations every year in the oral care sector. At the heart of these innovations is commitment to science, research and collaborations between various technology platforms developed indigenously at 3M. Discovery is a way of life at 3M and it is this path breaking technology that we wish to share with the upcoming dental practitioners .

3M India is pleased to announce the **10th Post Graduate Student Symposium** which will be hosted by 3M Oral Care, India from **29th Jan to 31st Jan 2020**

Venue: 3M India Limited, **R&D Center, Electronics City, Bangalore**

Meritorious students from the top 50 Dental Colleges in India will be invited to represent, interact and exchange ideas, and hear from experts on the latest technologies in Clinical Dentistry.

As part of the Dental School Program, we would like you to **nominate 3 meritorious Final Year Post Graduate Students,** one each from the Department of Conservative Dentistry, Prosthodontics and Pediatric Dentistry and send their names before the 2nd January 2020 to us.

Please note that the travel cost will have to be borne by the student. The hospitality (accommodation and food) will be borne by 3M. Students should make their own arrangements to reach Bangalore and check in at **The Lemon Tree Hotel, Electronic City, Bangalore** by 10am on the 29th Jan 2020. Students may plan to leave on 31st Jan 2020 after 7.00 pm.

A tentative agenda is attached below for your reference.

The Students may contact any of our below Regional PS Managers for any further information & assistance:

- Dr Pallavi Patil (West) at 09833428868 / pspatil@mmm.com
- Dr Priyanka Jain (North & East) at 7042534306 / pjain2@mmm.com
- Dr Manikya A. (South) at 9873796334 / marabolu.cw@mmm.com

PRINCIPAL
D.A. PANDU MEMORIAL
R.V. DENTAL COLLEGE

We request you to share the names of the 3 meritorious students who will attend the symposium on or before 2nd January 2020. Pl ensure to mark your emails to all the Regional PS Managers.

Thanking you and Wishing you a Very Happy New Year !!

Department of Conservative Dentistry and Endodontics

To
The Principal,
DAPMRV Dental College,
Bangalore – 78

Respected Madam,

A Symposium was conducted from the Department of Conservative Dentistry and Endodontics in association with 3M oral care, Bangalore on 31/01/2020 on "Adhesive Dentistry" at the DAPM RV Dental College, Bangalore. The speakers for the day were Dr. Hidehiko Sano, Japan and Dr.Y C Kwon,Korea. The program was attended by 180 participants and was covered in two sessions between 10.00 AM and 12.00 PM with a tea break in-between followed by lunch.

Thanking you.

Regards,

1/2/2020

Dr. Keshava Prasad

HOD Dept. of Conservative Dentistry & Endodontics

Subject: 3M Scientific Session - 31st Jan 2020 @RV Dental College, B
Importance: High

The Principal,
RV Dental College,
Bangalore.

Dear Dr Asha Iyengar,

Greetings from **3M**!

As you know **3M Oral care** has been the pioneer in developing path br
years, which are designed to help in simplifying procedures and bringir
confidence in carrying out dental treatments.

As a part of our endeavor to introduce 3M's unmatched science which
novel technology, we would like to conduct a half day symposium on 3
college. This program will be in association with the Department of Cc
Dentistry and open to other Head of Departments, staff and PG stude
participants from all other colleges in Bangalore.

The keynote speakers for the day would be Dr Hidehiko Sano, Japan

Session 1 - Adhesive dentistry and Nano leakage with bonding ager
Speaker brief Intro – He world renowned adhesive teacher and rese

ted Principal Sir/Madam,

gs from **3M**!

know **3M Oral care** has been the pioneer in developing path breaking products since several years, which are designed to simplifying procedures and bringing about predictability and confidence in carrying out dental treatments.

rt of our endeavor to introduce 3M's unmatched science which help product developments using novel technology, we are ting a **half day symposium on 31st January 2020** at **DA Pandu Memorial RV Dental College** . We would like to extend tation to The Principal, Dean of the Institution, Head of the departments, all faculty members and post graduate students the departments of your esteemed Dental College to join us for this program.

ynote speakers for the day would be **Dr Hidehiko Sano, Japan** and **Dr. YC Kwon, Korea.**

n 1 - Adhesive dentistry and Nano leakage with bonding agents - **Dr H. Sano**

r **brief Intro** – He is a world renowned adhesive technology teacher a researcher as well as the inventor of the micro-bond strength test and Nano leakage phenomenon.

n 2 – Advances in Direct restorative materials – **Dr. YC Kwon**

r **brief Intro** – He is the Scientific Affairs and Education Leader for 3M APAC in Oral Care Division.

uld be a great opportunity for the staff and students to listen and interact with both these learned speakers to understand ing edge technology that 3M possesses that allows clinicians to carry out dental treatments with ease and predictability . ration of the symposium would be from **9:30 am to 2:30 pm** in the college auditorium . Please find attached the profile for o .

revert back to **Dr Manikya Arabolu at 9873796334 / marabolu.cw@mmm.com** to confirm the participants from your .

Regards,

Science. Applied to Life.™

3D ADVANCEMENTS & APPLICATIONS IN ORTHODONTIC DIAGNOSIS, MANAGEMENT AND RESEARCH- 16/12/2019

Programme schedule

8:30am-9:15amRegistration & Inauguaration

9:30am-10:45am	**Lectures on Introduction,basic terminology,technical aspects, dosimetry & Applications of CBCT in Orthodontics**
11:00am – 1:00pm	**Workshop on commonly encountered Orthodontic situations requiring CBCT Imaging like ,localization of Impacted teeth, Optimal site selection for Skeletal anchorage**

LUNCH BREAK

	Dr Narayan Gandedkar
1:30pm-2:30pm	**Introduction to Recent advances in 3D Diagnosis and Management** **Application of computer-aided design (CAD) and computer aided manufacturing (CAM),** • **Various 3D tools of Image acquisition** • **Various 3D Printing/Rapid Prototyping** • **Desk top printing current scenario**
2:30pm-3:30pm	**3D scanning video clip and 3D Printing demonstration** • **Intraoral scanning** • **Desk top printing and application : merits and demerits** • **Case discussions**
3:30pm-4:00pm	**Application of Cone beam computed tomography in Research** • **Basic tenets of 3D application in research** • **Guidelines and regulations** • **Pharyngeal airway space and 3D assessment** • **Conclusion: Where do we go from here?**

PRINCIPAL

CURRENT TRENDS IN CRANIOFACIAL ORTHODONTICS - 17/12/2019

	Dr Narayan Gandedkar
8:30am-9:00am	**Introduction to Craniofacial Orthodontist: Roles and responsibilities in a Craniofacial Team**
9.00am-9:30am	**Cleft Lip and Palate** **Introduction to Nasoalveolar molding (NAM) therapy** • **Basic assessment of dentofacial condition** • **Objectives of NAM** • **Principles and rationale for NAM** • **Case reports**
9:30am-10:30am	**Orthodontic Interventions** • **Pre- Alveolar Bone Graft Orthodontic management** • **(Alt-RAMEC) Expansion and Maxillary advancement in adolescent cleft individuals** • **Jaw surgery and Distraction osteogenesis in adult cleft** • **Long term follow-up**
10:30am-12:30pm	**Orthognathic Surgery/Surgery-First** • **Basic assessment of the dentofacial condition and evaluation of facial esthetics in surgical plan formation** • **Principles and rationale for orthognathic surgery** • **Cephalometric tracing and analysis** • **Paper surgery concept** • **Face bow transfer principles** • **Principles of model surgery** • **Surgical principles and techniques** • **Model surgery on the articulator, video clips & discussions**
12:30pm – 1:30pm	**Lunch Break**
1:30pm – 2:30pm	**Surgery-First : Concepts (Orthodontic Interventions)** • **Surgery-First : Cephalometric tracing and analysis** • **Surgery-First : Paper surgery concept** • **Surgery-First : Dos and don'ts** • **Surgery-First : Case selection, indications and contraindications & Case discussions**
2:30pm-4:00pm	**Management of Craniofacial Syndromes** • **Assessment of Complex Craniofacial Syndromes (For e.g., Crouzon's Syndrome)** • **Jaw surgery and Distraction Osteogenesis planning** • **Long term follow up** • **Recent advancement in the Craniofacial Syndromes management: 3D planning,Stereolithography, Softwares etc.** **Question and Answers Session**

COURSE DIRECTOR :

Dr Narayan Gandedkar completed 'Masters' in Orthodontics with 'Gold medal' from 'Rajiv Gandhi University of Health Sciences', 'SDM College of Dental Sciences and Hospital', Dharwad, and pursued a fellowship in craniofacial orthodontics from prestigious 'Chang Gung Memorial University and Hospital, Taiwan'.

He is currently a faculty in The Discipline of Orthodontics & Paediatric Dentistry at The University of Sydney ,School of Dentistry, and sees exclusive orthodontic patients at Sydney Dental Hospital, Surry Hills, New South Wales, Australia.

He has published over fifty international papers/book chapters, and is also a reviewer of over fourteen international journals, including Angle Orthodontist, World Journal of Orthodontics, Orthodontic Waves (Japanese Orthodontic Society), Journal of Applied Biomaterials & Functional Materials (Italian Society for Biomaterials), Scanning: The Journal of Scanning Microscopies (Wichtig publishing), and APOS Trends Ortho.

He has conducted more than fifteen workshops in Orthognathic Surgery, Craniofacial Orthodontics, and has delivered presentations at AAO (USA), ACPA (USA), Australia, Japan, Singapore, Malaysia, Bangladesh and other countries.

He has co-authored a text book titled "Surgery-First Orthodontic Management: A Clinical Guide to a new treatment approach" published (Springer International, Switzerland) in 2019, and has written an international book chapter for Mosby, Elsevier, edited by M. Papadopoulos (Aristotle University, Greece).

His clinical research interests include 3D applications, cleft and craniofacial orthodontics, craniofacial syndromes, nasoalveolar molding therapy for infant orthopaedics, and biomaterials.

Report on the Training on National Digital Library of India
By
Dr.Vignesh Somamohan, Chief Strategic and Out Reach Officer

Introduction:

The main goal for this training course is:

1. Improve and enhance the capabilities and skills of Members of Faculty, PG Students and UG Students

Training Name:

- National Digital Library of India Training Program.

The topics of the course:

- Over view of National Digital Library E Content.

Date and Period:

Training for the one groups:

- The training course started on October 16th .2019.
- The duration of the course is 3.5 hours during day.

Place of training:

- The activity took place at the Mini Auditorium DAPM R V Dental College, Bangalore

The instructors:

- 1 trainer participated in the activity as follows:

1.	Dr. Vignesh Somamohan	taught 3.5 hours
	Total	**3.5 hours**

The target groups:

All Members of Faculty, PG Students and Interns from DAPM R V Dental College participated in this activity.. List of names attached.

Principal
D.A.P.M.R.V. Dental College
J.P. Nagar I Phase,
Bangalore - 560 078.

The training focused on applied and practical methods by using the following concepts:

- Brainstorming regards the definition of role in leading and developing NDLI Database.
- Presenting the subjects by involving the trainees in discussion and encouraging dialogue.
- Dividing the large group into small groups and given these small groups specific tasks as example, proposal writing.

Positive aspect of the training:

- The participants were interested enthusiastic about all the subject.
- The instruction followed a democratic system in managing their sessions.
- The participants have gained reasonable skills experiences which will enable them to prepare and write project proposals.
- The hall was comfortable and very convenient.

Method of training:

Using the following methods:

- Evaluation each meeting by participants.
- Collective interactions.
- Discussion groups, mini.
- Practical exercises, individually and collectively.

Evaluation:

Training has been evaluated by the participants through evaluation forms and the results were very satisfactory.

With My Kindest Greetings,

(Dr. Ravish Krishnamurthy)
Senior Librarian

Department of Prosthodontics

Report on the CDE program conducted on 01.09.2019

"Partial Extraction Therapy-Evidence & Techniques –Beyond the Concept" by Dr.Marcelo Ferrer,Chile

The Department of Prosthodontics organised a CDE program in association with Novabone Products on 'Partial Extraction Therapy-Evidence & Techniques – Beyond the concept ' on 01.09.2019 in the II floor auditorium of DAPMRV Dental College and Hospital, Bangalore.

The speaker for the program was Dr Marcelo Ferrer, received his degree in dentistry and his title of Dental Surgeon at University of Chile in 2000.After his PG Training at Universidad Andres Bello he received his degree of Master in Dentistry with specialization in Periodontics and Implantology. With more than 17years of teaching experience , he has been part of the faculty of the Prosthetics Dept. in the University of Chile, of the Adult Integrated Preclinical Department in the Universidad Mayor and of the faculty of dentistry, University Andres Bello, in the area of Periodontics and Implantology, both in Pre and Postgraduate courses since 2003. Currently , he exercises in his private practice and as National Director of the postgraduate courses in Periodontics and Surgical Implantology at San Sebastian University. National and International speaker for more than 10 years . Director of South Cone Implantology Training Center Chile and Dental Xp expert for some years. He is also an active member of the American Academy of Osseointegration, member of the Society of Periodontology and of the society for Prosthetics and Oral Rehabilitation of Chile.

We had a total of 53 registrations for the program that included students, interns and postgraduate students from our college as well other colleges . Faculty, private clinicians and few heads of the depts also attended this program.

The program started at 10:30 am with a brief inauguration that included an invocation song by Dr.Ramyashree ,welcoming of the chief speaker was done by Dr.Ananthraj Associate Dean (Academics)HOD,Dept of Pedodontics,followed by lighting of the lamp. Introduction of the speaker was given by Dr.Pavan.T.P . Dr.Srivatsa ,Principal of KLE dental college , Dr.Shilpa Shetty, President Elect IPS Bengaluru Branch also was welcomed by our faculty. Dr Marcelo Ferrer shared his knowledge and expertise on this topic. The learning objectives included: to understand the biology behind the concept and its impact,case selection criteria to perform-PET and its surgical benefits, to assess and establish risks and also managing the complications . Dr .Marcelo Ferrer presented various cases that he had

Respected Sir/Madam

Sub ; Report of workshop

This is to inform you that a workshop on preparation of Re-accreditation Report of NAAC was conducted on 27th and 28th August 2019. It was attended by all the faculty members. All the faculty were divided into 8 groups and based on the Criterion discussion were held as per the new manual released by NAAC. A gap analysis was also done before the starting of the program and at the end of the workshop. It was a interesting and interactive session for 2 days. The Resource persons were happy with the outcome of the workshop. They have shared their ppts and questions. The Report of the workshop along with the Gap analysis is enclosed for your kind reference.

Thanking you

Yours truly

Dr. B S Keshava Prasad

13.08.2019

To,
Dr. Asha R. Iyengar
Principal
D.A.P.M.R.V. Dental College,
CA-37, 24th Main Road, Ist phase,
J.P. Nagar, Bangalore 560 078

Dear Dr. Asha R. Iyengar

Sub: Conduct of Workshop on Institutional Reaccreditation
Ref: Meeting of Dr. Katre Shakuntala with Dr. Dinesh and Your Goodself

In continuation with our earlier proposal of the workshop dated 1.08.2019, please find enclosed herewith our revised proposal giving details of persons who will deliver the lectures and conduct the group works. As there was an error in the total number of lectures in the earlier proposal, the same has been corrected and the necessary budget has been indicated. We need an LCD projector. Kindly arrange to have all the faculty members split into seven groups for carrying out the group work.

Thanking you again.

Sincerely,

Sd/-

(S.RAVICHANDRA REDDY)

Principal
D.A.P.M.R.V. Dental College
J.P. Nagar I Phase,
Bangalore - 560 078.

Budget proposal

Six Lectures @ 5,000/- per lecture (5000 x 7):	35,000 = 00
Two Group works @ 5000/- per group work:	10,000 = 00
Two Interactive sessions @5,000/- per session:	10,000 = 00
Two sessions of SSR presentations + discussions @5000/- each:	10,000 = 00
Documentation for 2 Gap analysis and 1 SWOC @ 1,500/- each:	4,500 = 00
Handouts of 6 lectures @ 500/- each:	3,000 = 00
Travel (To and Fro) @ 1,500/- per day for 3 days:	4,500 = 00
Total:	Rs. 77,000 = 00

<u>Optional</u>

1. Document for working out Institutional perspective strategic plan
   L7: ppt presentation: 5,000=00
   Document –to work out later 1,000=00

2. Mock Visit 10 days before the Peer Team Visit:
   3 resource persons (1 professional dentist)
   @ 10,000/- each: (Optional): 30,000=00

Rs. 46,000=00

Note: in the earlier proposal, there was an error. Two L5s had been indicated. This Revised Budget proposal indicates the correction and accordingly, the total budget towards 7 lectures (instead of 6) amounts to Rs. 35,000/- an increase of Rs. 5000/-. Total budget towards workshop now amounts to Rs. 77,000=00.

IDA DENTIST CONVENTION-2019

Dentist convention-2019 was organised by Indian Dental Association, Bangalore Branch on 17th August,2019 in association with DAPM RV Dental College. Theme of the convention being "**Dentist Back to Future",** more than 150 students and around 200 practitioners from Bangalore attended the programme. The First lecture of the convention was by **Dr. Utkarsha Lokesh** on **"FACIAL REJUVINATION, ANTI AGING AND SKIN RESURFACING"**,who enlightened us on the various advanced techniques used in the field of Esthestic dentistry**.** This was followed by the second lecture by **Dr. Jagadeesh C** on **"DENTISTRY- THEN AND NOW…."**. He focused more on Evolution of dentistry, Evolution of dental practice and also on current advances in establishing and managing dental practice. Our next speaker was **Dr. Tarun Kumar, who spoke on "THE CENTRAL ESTHETIC TRAID OF BONE, TISSUE AND RESTORATION**", which plays a vital role in the field of dentistry.

This was followed by the inauguration ceremony, which was perfectly handled on stage by Dr.HariKiran. Chief guest was Dr. M K Panduranga Setty, G who addressed the gathering. Guest of Honours Dr. Asha R. Iyengar and Dr. Prakash H.P and Chief Patron Dr. Sudhakar M C, felicitated the senior dentists, Dr. T R Gururaj Rao and Dr. A V Ramesh.

Followed by inauguration of the Trade Fare, was a lecture on **"IMMEDIATE IMPLANTS TODAY: CORTICAL AND BASAL IMPLANTS"** by Dr. **Veerendra kumar S C,** who mainly dealt with the current trends of immediate implants and shared his valuable experience regarding the same. The final lecture was by **Dr. Anjan Shah** on **"BONE MANAGEMENT IN IMPLANT DENTISTRY",** which was very informative and useful for the clinical practice. Also, Paper/ Poster Presentations were organised for which we received active participation by the students. Finally, the convention came to an end successfully with a vote of thanks by Convenor Dr. Deepak .S.

Respected Madam,

Sub: <u>A Report on the CDE Program held on 10.07.2019</u>

Deparment of Pedodontics and Preventive Dentistry had Organised a Continuing Dental Education Program on the Topic "Hospital Dentistry for Children" on 10th July 2019. The resource person for the program was Dr V. Rathna Prabhu, Senior Pediatric Dental Consultant, at Kanchi Kamakoti Childs Trust Hospital, Chennai. There were 175 Delegates from various colleges from in and around Bangalore, including the staff, post graduate students and a few private practitioners as well.

The topics covered included, the future prospects of pedodontic practice, the need for Hospital based dental practice for children, the indications, protocols for selection, documentation required, patient preparation, intraoperative operation theatre protocols, anesthetic agents and medications used for general anesthesia, and post-anesthetic complications.

The burgeoning population of the country, the increasing incidence of dental diseases in children presents both a fertile opportunity for pedodontics as well as a therapeutic challenge in children presenting with multiple and complex oral rehabilitative needs. With this perspective the above mentioned topics were comprehensively covered in a very interactive manner.

This was followed by a panel discussion lead by Dr. Priya Subraniam, Professor and HOD, Dept of Pedodontics, Oxford Dental College; and Dr. V. Rathna Prabhu, Dr. Kavitha Rai, Professor; Dr. Veena Arali, Reader, Rajarajeshwari Dental College and Dr. Vijaya Kumar, Anesthetist at Sevakshetra Hospital. A lively discussion covered various aspects of pharmacologic management of pediatric dental patients, including consicous sedation, and practical advice to parents. The feedback for the program was very positive.

We are grateful for the Speaker, Dr. Ratna Prabhu for providing us valuable professional guidelines for Hospital Dentistry. We also thank all the panelists for their contribution to the program. We thank the Principal and the RSST for supporting us in our endeavor by sanctioning Rs. 40,000/- towards the expenses. We also thank Mr. Unnikrishna, Best Dental Equipments for his sponsorship. We also thank A to Zee Services caterers for providing the food.

Yours sincerely,

Dr.A.Anantharaj 27/7/19

Dear Madam,

Sub: - Report on CDE program conducted on 8/12/2018.

The Department of Prosthodontics organised a CDE program on **'Increase the Volume- Best Practices in GBR/GTR procedures"** on 08.12.2018 in the II floor auditorium of DAPMRV Dental College and Hospital, Bangalore. The speaker for the program was **by Dr Yuval Zubery, DMD, Israel**. This program was organised in association with Dental Experts and Indian Prosthodontic Society Bangalore Branch.

We had a total of 120 registrations for the program that included undergraduate, postgraduate students, faculty and private practitioners.

The program started at 10:15 am with a brief inauguration, with Dr Roopa as the MC and welcome address was given by Dr Mitha Shetty, introduction to the speaker by Dr Roshan Kumar. **Dr Yuval Zubery** spoke on how to increase the bone volume with GBR and GTR. He spoke on how the collagen membrane would help regenerate bone in cases were bone augmentation was required and also in cases were implants had bone loss.

The second half of the session he showed some complex cases treated by this technique, where he could get very good results.

Principal
D.A.P.M.R.V. Dental College
J.P. Nagar I Phase,
Bangalore - 560 078.

The vote of thanks was proposed by Dr Archana and Professor and Associate Dean Dr N Kalavathy handed over a memento to Dr Yuval Zubery as a token of our appreciation. The program concluded with an interactive session at 12:40 pm. The speaker and the organising team had refreshments in the board room after the program. The delegates were served refreshments before the start of the program.

Feedback obtained from the participating students mentioned that the lecture material was very useful and updated their knowledge of recent advances in bone augmentation. **Dr Ravindra Savadi** who is currently the **President of The Indian Prosthodontic Society** also attended the program. He also communicated that the program was very well organised and was helpful.

Thanking You,

Yours faithfully,

Dr N Kalavathy

Department of Prosthodontics

Report on the CDE program conducted on 04.09.2018

The Department of Prosthodontics organised a CDE program on 'Comprehensive Interdisciplinary Treatment Planning – A Prosthodontic Perspective' on 04.09.2018 in the II floor auditorium of DAPMRV Dental College and Hospital, Bangalore. The speaker for the program was Dr Druthil Belur, an alumnus of our college. Dr Druthil Belur completed his BDS from our institution, DMD from Boston University and his MS in Prosthodontics from the Baylor College of Dentistry, Texas.

We had a total of 195 registrations for the program that included both students and faculty (114 from other colleges and 81 from our college)

The program started at 9:15 am with a brief inauguration that included an invocation song, lighting of the lamp and introduction to the speaker and the program by our Principal Dr Asha R Iyengar and the Head of the Department of Prosthodontics, Dr J Sridevi. Dr Druthil Belur shared his knowledge and expertise on the interdisciplinary treatment planning of a complex prosthodontic case. It was a very fruitful interactive session. After a short tea break Dr Dhrutil Belur presented various cases that he had treated which included full mouth rehabilitations, partial fixed dental prostheses, esthetic rehabilitations, all of which highlighted the importance of digital dentistry.

The afternoon session post lunch was a treat for enthusiasts of the digital world. Dr Druthil spoke extensively on optical impressions and the digital workflow in modern dental practice. He also gave a brief presentation on his award winning thesis.

The vote of thanks was proposed and our Principal Dr Asha R Iyengar and Professor and Associate Dean Dr N Kalavathy handed over a memento to Dr Dhrutil Belur as a token of our appreciation. The program concluded with an interactive session at 3:30 pm.

Feedback forms were circulated among the participating students and the students felt that the lecture material was very useful and updated their knowledge of recent advances in digital dentistry. The students found the discussion on the inter disciplinary treatment planning and advances in the digital workflow to be of value.

To,
The Principal,
D A P M R V Dental College,
Bangalore-560078

Respected Madam,

The Department of Prosthodontics had organized a CDE programme on "Comprehensive inter-disciplinary treatment planning- A Prosthodontic perspective" by Dr. Druthil Belur on 4th September 2018.

The total expenditure for this program was Rs.37, 710/-.

Rs. 33,900/- was collected as registration charges for 113 delegates inclusive of GST. Our trust had sanctioned Rs. 40,000/- for this program. Once the GST amount of Rs. 6,102/- is paid, we will be left with a balance of Rs.30, 088/-.

I kindly request you to permit us to use the balance amount for future research or CDE or free denture camp activities of the department of Prosthodontics.

Thanking You,

Your's sincerely,

(Dr. J. Sridevi)

Department of Oral Medicine and Radiology

Report of the CDE program

Department of Oral Medicine and Radiology, in collaboration with Apollo Hospital, Bannerghatta road, Bangalore; conducted a CDE Program on "Management of Oral cancer" on 23rd August 2018. The talk was delivered by Dr Satish Nair, ENT Specialist, Apollo Hospital.

The program was attended by staff, post graduate and undergraduate students of Oral Medicine and Radiology, Oral and Maxillofacial Surgery and Oral and Maxillofacial Pathology departments.

The program started with a brief introduction of the speaker. Dr Asha R Iyengar Principal, DAPM RV Dental College, welcomed the guest speaker with a colorful bouquet. Dr Satish Nair spoke about oral cancer and gave an overview of the management of oral cancer. Dr Sunil Vasudev, Professor & HOD, Department of Oral and Maxillofacial Surgery thanked Dr Satish Nair for his talk. The program was followed by high tea. The talk was well appreciated by one and all.

COURSE OUTLINE

DIAGNOSIS & TREATMENT PLANNING

- Strategy to correct occlusal canting - The 5 things to look for from a cephalogram without tracing to acquire important clinical information
- Misinterpretations from cephalogram
- Canine Relationship: The "Dogmatic Principal" of orthodontic treatment
- To extract or not to extract, that is the question!
- Treatment strategy for Class II patients
- Treatment strategy for Class III patients, the utilization of Overlay wire
- B point: the first landmark you should read on a cephalogram and why
- Bracket bonding position is key to clinical success; but do you know it varies with different case type?

BIOMECHANICS

- Whether to apply force to main arch wire or directly to tooth and why?
- New roles for mini screws, when to use bone on anchor plates?
- Tseng's bracket design and its convenience
- Wire bending techniques: paradox of preformed arch wire
- When to treat early?Why is retreatment more frequent nowadays?
- How to close remaining spaces quickly?
- Clinical techniques to close spaces quickly?

CLINICAL CASES DISCUSSION

- Deep Bite: The first hurdle before or during treatment of maxillary anterior labial flaring: very common case type in Taiwan
- How to treat open bite?
- Torque: The second hurdle and its management
- How to determine case difficulty?
- Midline correction
- Why does interproximal spacing occur randomly during treatment?
- How to align high canine quickly?

ADVANCED DISCUSSION

- The joy of creating beauty: How to improve patient's facial profile?
- When to modify bracket?
- Elastic management during finishing
- Early debonding with clear retainer
- J-hook: a powerful tool for success
- Soldering: never underestimate its advantages
- How to bond brackets on lingual/ palatal side?
- Retention strategy, how long does fixed retainer last?

CDE PROGRAM

SPEAKER

Dr. Vivek Hegde
BDS, MDS
(Conservative Dentistry and Endodontics),
Master in Laser Dentistry.

Dr. Vivek Hegde is Vice Principal and Head of the Department of Endodontics at M.A. Rangoonwala Dental College, Pune. His many achievements include being President of the Society of Oral Laser Applications, Director of the Indian Board of Endodontics, Faculty at the University of Vienna, Editor of various Journals and past Vice President of the IACDE. Above all, Dr. Vivek Hegde is an experienced practitioner, and a passionate teacher.

Dear Doctor,
As a part of our series **'Digital Gurukul - Know Your Roots'** Case-based webinar program, we invite you to the case-based webcast on **"Challenges and Solutions in Endodontics"** by **Dr. Vivek Hegde** on Monday, 21st August 2017 between 2:00 pm -3:00 pm.

Dr. Vivek will address the challenges encountered by the dentist in the Endodontics practice in case based manner.

KSDC,

Bangalore

Sir,

Subject: Submission of list of participants of the INTERNATIONAL SYMPOSIUM ON "CONTEMPORARY MANAGEMENT OF SKELETAL MALOCCLUSIONS" held on 4th and 5th of June, 2016.

Please find the list of participants who attended the CDE Programme "Contemporary Management of Skeletal Malocclusions" on 4th and 5th of June, 2016 at our institution. The two day lecture programme consisted of lectures conducted by Dr. Tung Nguyen (U.S.A), Dr. Sam Hsu (Taiwan), Dr. Peter Vaughan (Australia), Dr. Narayan Gandedkar (Singapore), Dr. Dileep Patel, Dr. Jayesh Rahalkar, Dr. Amol Patil, Dr. Priti Mulimani.

I thank the President of KSDC for allotting us 12 credit points and lending support for this programme.

This is for your kind information and needful action.

Thanking You

Yours sincerely,

Dr. Dinesh M.R

International symposium

ON

Contemporary Management of Skeletal Malocclusions

Orthodontists have witnessed a paradigm shift in the management of skeletal malocclusions. From traditional removable appliances started in the mixed dentition to 'fixed functional appliances' in young permanent dentition and from facemask and chincups to 'Bone anchored maxillary protraction devices, a whole new set of options have shown promise in correcting Class II & Class III Malocclusions during the last decade.

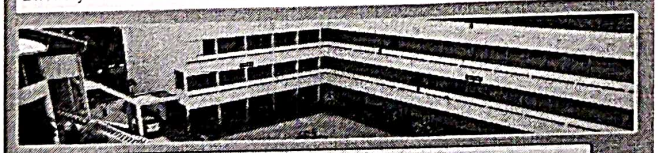
However, it is mandatory to understand these modalities with proper 'evidence' as wel as long term data on how we can adapt these innovative treatments to our existing practices.

With this in mind, the first-ever International symposium on Contemporary Management of skeletal Malocclusions is being jointly organised by the Ortho Alumni Members of SDM Dental College and the Department of Orthodontics D.A.P.M.R.V Dental College, Bangalore on the 4th and 5th June, 2016. This event also marks the 75th birthday of eminent orthodontist Dr. V.P.Jayade.

LECTURE HIGHLIGHTS :

- Impact of 3D technology in Orthodontics
- Current protocols in Class II and Class III management
- CBCT analysis of Fixed functional appliances
- TAD supported Fixed functional appliances
- Early surgery for Class II malocclusions
- Management of facial asymmetries
- Current protocols in Bone anchored maxillary protraction
- Dilemmas in addressing Vertical malocclusions.

The faculty include Dr. Tung Nguyen from the University of North Carolina, USA, Dr. Sam Hsu, Chang Gung Memorial Hospital, Taiwan, Dr. Peter Vaughan from Australia and Dr. Narayan Gandedkar from Singapore along with five eminent Indian speakers.



Venue :- D.A.P.M.R.V Dental College, Bangalore

4th & 5th June 2016

INTERNATIONAL FACULTY FOR THE SYMPOSIUM

DR TUNG NGUYEN, USA

Associate Professor and Director of the Dentofacial Deformities Clinic,
University of North Carolina. Recipient of BF and Helen Dewel Award for best clinical research from the American Journal of Orthodontics and Dentofacial Orthopedics in 2012 for the work done on Class III bone anchors.

DR SAM HSU, TAIWAN

Assistant Professor, Department of Craniofacial Orthodontics, Chang Gung Memorial Hospital, Taiwan Fellowship, Surgical Planning Laboratory, Department of Oral and Maxillofacial Surgery, The Methodist Hospital Research Institute, Houston Texas. Chairman, Academic Committee, Taiwan Association of Orthodontists

DR PETER VAUGHAN, AUSTRALIA

Lectured in Australia & Indonesia, the European Orthodontic Society, the European Roth Society, & the Malaysian Orthodontic Society.Into Private practice, Newcastle Australia where he treats patients with combined surgical orthodontic treatments.

Also an endurance athlete, participating in Ultraman & Ironman triathlons having over 100 Ironman Triathlons to his credit.

DR NARAYAN GANDEDKAR, SINGAPORE

Dr Narayan Gandedkar completed 'Masters' in Orthodontics with 'Gold medal' from 'Rajiv Gandhi University of Health Sciences', 'SDM College of Dental Sciences and Hospital', Dharwad, and pursued a fellowship in craniofacial orthodontics from prestigious 'Chang Gung Memorial University and Hospital, Taiwan.

He also serves as Honorary Secretary for the 'Cleft Lip and Palate Association of Singapore', and Principal Investigator for Singapore Health Foundation (SHF) funded research.

PROGRAM OPEN TO : STUDENT, ASSOCIATE AND LIFE MEMBERS OF THE INDIAN ORTHODONTIC SOCIETY ONLY.

R.V. DENTAL COLLEGE

Dr Nanda Kumar J, obtained his BDS from GDC, Bangalore, MDS from GDC, Hyderabad. He went on to obtain his fellowship in Orthodontics, from University of Connecticut, USA, under the able guidance of DrRavindra Nanda. He has also completed his M Dent Sc, from the same University in 2014. He is also a 'Diplomate' of American Board of Orthodontics.

Currently he is a faculty in the Division of Orthodontics, University of Connecticut USA.

In addition to his teaching appointments, he is a sought-after speaker and has conducted many CDE programmes. He is also an active researcher and has chaired sessions at IADR annual meets, and is a reviewer for international journals.

His clinical and research accomplishments have been well published in international journals of repute. He has co-authored chapters in well known text books like, 'Biomechanics and Esthetic Strategies in Clinical Orthodontics' and 'Cranio facial growth series monographs' along with DrRavindra Nanda and Flavio Uribe

CDE PROGRAMME

NEW VISTAS IN ORTHODONTICS

26th June2015

Inauguration 8:30-9:00 am

1) Translation of 3D technology in clinical orthodontics.
9.00 am - 11.15 am
Interactive Session: 11.15 - 11.30 am

2) Biomechanics of Space Closure & mandibular molar protraction: A new mandibular molar protraction appliance designed to improve efficiency and effectiveness.
11.30am – 12.15 pm
Interactive Session: 12.15pm -12.30 pm

Lunch Break: 12.30 pm - 1.15 pm

3) Incorporating skeletal anchorage devices and biomechanical principles in the management of complex malocclusions.
1.15 pm - 3.15 pm
Interactive Session: 3.15 pm – 3.30 pm

Valedictory Ceremony : 3.30pm – 3.45 pm

Sir,

In continuation of my email dtd. 4.1.2018 regarding staff deputed to attend the workshop on **Antivirus updates** on **Monday the 8th January 2018** from **1.30pm to 3.30pm** at RSST, I write to inform that instead of staff against Sl.No.1 and 13 the following two staff are attending.

Instead of Dr.Veerendra Kumar - Dr.Sarita Yanduri
Instead of Mrs.Bhanumathi - Mr. Shivaprasad

This is for your kind information.

Thanking you,

With regards,

Dr.M.R.Dinesh

CDE PROGRAM ON "INTEGRATIVE DENTISTRY"

Department of Periodontics conducted a CDE program for the undergraduates, interns, postgraduates and staff of DAPMRV Dental college, on the topic "Integrative Dentistry" on 4-02-2020 at 1:30 pm in the auditorium at second floor of D.A.P.M RV Dental College, Bangalore. Dr. Vaibhavi Joshipura (MDS; Consulting periodontist, CEO InteDent Health care Pvt.Ltd), was the speaker for the program.

A total of 112 participants attended the lecture, the duration was two hours.

DR. Vaibhavi Joshipura, shared her immense knowledge on the topic of "Integrative Dentistry", where Ayurveda meets general dentistry. This made the session very interactive and informative, for the participants.

To,
The Principal,
D A Pandu Memorial R V Dental College & Hospital, Bangalore.

Respected Madam,

Sub: Report of CDE and Hands-on Workshop conducted on 16th and 17th December, 2019.

With regard to the above mentioned subject, We are pleased to inform you that a CDE Program & Hands-on Workshop on 3D ADVANCEMENTS AND APPLICATIONS IN ORTHODONTIC DIAGNOSIS, MANAGEMENT & RESEARCH & CURRENT TRENDS IN CRANIOFACIAL ORTHODONTICS was conducted on 16th and 17th December,2019, which was well attended and appreciated by 220 course participants including faculty members and post graduate students.

The Course director was Dr. Narayan Gandedkar, Faculty, University of Sydney, Australia.. The Hands on Workshop was conducted by the Faculty of Depatment of Oral Medicine & Radiology Dr. Asha.R.Iyengar , Dr. Seema Patil, Dr. Subash and Dr. Revan Kumar Joshi. The Karnataka State Dental Council had awarded 12 CDE points for the above mentioned programme.

A total of Rs. 2,20,000/- was collected as registration fee, Rs. 1,25,000/- was obtained from sponsors & Rs. 50,000/- was obtained as Institutional financial aid. The total expenditure was Rs. 3,48,400/- with a surplus amount of Rs. 46,600/-.

We would like to thank the Rashtreeya Siikshana Samithi Trust for all the support, financial aid and for providing the mini and main auditoriums for conducting this program.

We also wish to express our gratitude to your kindself for the constant support as always.

Thanking You.

Yours sincerely,

Dr. Prashanth C.S

Enclosures
1.Program Brochure
2.Statement of Accounts

From,

The Head of the Department,

Department of Orthodontics and Dentofacial Orthopaedics,

DAPM R V Dental College, Bangalore.

To,

The Principal

DAPM R V Dental College, Bangalore.

Respected Madam,

Sub: Report and Accounts of the CDE program conducted on 16th and 17th December 2019.

With respect to the above subject, the Department of Orthodontics and Dentofacial Orthopaedics in collaboration with the Department of Oral Medicine and Radiology conducted a CDE program on '3D advancements and Applications in Orthodontic Diagnosis, Management and Research' and 'Current Trends in Craniofacial Orthodontics' on 16th and 17th December 2019 at DAPM R V Dental College.

The program was well received and we had 220 registered participants from dental colleges across the state and other states. Including the institutional registrations we had around 250 participants.

We wish to thank you for your constant support in organizing this program and getting us a financial aid of 50,000/- from the Institution.

An amount of Rs 50,000/- institutional sanction, 2,20,000/- from the registrations, 1,25,000/- from the sponsors was collected totaling upto 3,95,000/- out of which the institutional sanction of 50,000/-and a cheque of 15,000/- from the sponsor Orthosystems has been directly remitted to the Principal's account.

I am hereby enclosing the breakup of the expenditure incurred including relevant bills and vouchers for the same.

I request you to kindly release the payments for the same.

I also request your kindself to use the surplus amount generated from the course to buy a high end configuration laptop for our department as our department does not have a laptop and the diagnostic software recently upgraded by us requires a laptop for storing and ensuring maximum utilization of the same by the post graduate students of our department.

3D ADVANCEMENTS & APPLICATIONS IN ORTHODONTIC DIAGNOSIS, MANAGEMENT AND RESEARCH

Programme Schedule

8.30 am - 9.15 am Registration & Inauguration

Dr. Asha R Iyengar, Dr. Seema Patil
Dr. Subash B V, Dr. Revan Kumar Joshi

9.30 am - 10.45 am
Lectures on Introduction, Basic Terminology, Technical aspects, Dosimetry & Applications of CBCT in Orthodontics

11.00 am - 1.00 pm
Workshop on commonly encountered Orthodontic situations requiring CBCT Imaging like,
Localization of Impacted teeth
Optimal site selection for Skeletal anchorage
Evaluation of Midpalatal Suture
Airway analysis

LUNCH BREAK

Dr. Narayan Gandedkar

1.30 pm - 2.30 pm
Introduction to Recent advances in 3D Diagnosis and Management
Application of CAD and CAM
- Various 3D tools of Image acquisition
- Various 3D Printing / Rapid Prototyping
- Desktop printing current scenario

2.30 pm - 3.30 pm
3D scanning video clip and 3D Printing demonstration
- Intraoral scanning
- Desktop printing and application : merits and demerits
- Case discussions

3.30 pm - 4.00 pm
Application of Cone beam computed tomography in Research
- Basic tenets of 3D application in research
- Guidelines and regulations
- Pharyngeal airway space and 3D assessment

Conclusion : Where do we go from here?

17-12-2019
CURRENT TRENDS IN CRANIOFACIAL ORTHODONTICS

Dr. Narayan Gandedkar

8.30 am - 9.00 am
Orthodontists Roles and responsibilities in a Craniofacial Team.

9.00 am - 9.30 am Cleft Lip and Palate
Introduction to Nasoalveolar molding (NAM) therapy
- Basic assessment of dentofacial condition
- Objectives of NAM
- Principles and rationale for NAM
- Case reports

9.30 am - 10.30 am Orthodontic Interventions
- Pre- Alveolar Bone Graft Orthodontic management
- (Alt-RAMEC) Expansion and Maxillary advancement in adolescent cleft individuals
- Jaw surgery and Distraction osteogenesis in adult cleft
- Long term follow-up

10.30 am - 12.30 pm Orthognathic Surgery / Surgery-First
- Basic assessment of the dentofacial condition and evaluation of facial esthetics in surgical plan formation
- Principles and rationale for orthognathic surgery
- Cephalometric tracing and analysis
- Paper surgery concept
- Face bow transfer principles
  Principles of model surgery
- Surgical principles and techniques
- Model surgery on the articulator, video clips & discussions

12.30 pm - 1.30 pm LUNCH BREAK

1.30 pm - 2.30 pm
- Surgery-First : Concepts (Orthodontic Interventions)
- Surgery-First : Cephalometric tracing and analysis
- Surgery-First : Paper surgery concept
- Surgery-First : Do's and Don'ts
- Surgery-First : Case selection, indications and contraindications & Case discussions

2.30 pm - 4.00 pm Management of Craniofacial Syndromes
- Assessment of Complex Craniofacial Syndromes (For e.g., Crouzon's Syndrome)
- Jaw surgery and Distraction Osteogenesis planning
- Long term follow up
- Recent advancement in the Craniofacial Syndromes management : 3D planning, Stereolithography, Softwares etc. Question and Answers Session

Report of counselling session for the II BDS students

A counselling session for the II BDS students was conducted on 6th January 2020 between 2pm to 3pm at Class room 2 by Mrs. Sushma who is a trained Yoga instructor and a Counsellor.

In this session the students were told as to how to focus on the positive aura. They were taught to overcome fear, stress during exams and how to withdrawal all negatives in their life. Since it was an interactive session, the counsellor guided them to follow the right path. Also she taught them about some breathing exercises and some mind reading techniques which were very informative.

Take home messages for the students was as to how to get rid of negatives and focus on positive ones.

All of them enjoyed the session and in future they wanted to attend more of these counselling sessions.

Report of counseling session

Counseling session for the IV BDS students was done on 26th November 2019 from 1.30 to 2.30pm. The session began with categorizing the various thought that the students have and how it is imperative for the students to focus on the positive ones. The students were also educated about: feelings, attitude, nature and destiny. It was refreshing as the students were made to practice breathing techniques. The counsellor explained the necessity to focus on their goals regardless of the obstacles that may come in their way and also motivated them to pursue the path of righteousness. They were able to take several take home messages from the session. All in all it was a beneficial session.

REPORT OF THE ANTIRAGGING WORKSHOP CONDUCTED ON 12.11.2019

An antiragging workshop was organised by the committee to prevent ragging and sexual harassment on 12.11.2019 as per the requirements of DCI for new admissions for the year 2019-20. This workshop was conducted for the I BDS, I MDS, students enrolled under the aesthetic and implant courses.

Dr Shiva Sharan K, Member DCI and Chairman, Registration Sub Committee (IDR and website) was invited to address the students. The program was arranged in the II floor auditorium, DAPMRV Dental College and started at 11: 30 am. The students were shown videos depicting harmful effects of ragging and its consequences and also measures to prevent ragging.

On arrival of Dr Shiva Sharan, the invited guest for the workshop, our Principal, Dr Asha R Iyengar welcomed him with a bouquet. This was followed by a welcome speech by our Principal. Dr Shiva Sharan K then addressed the students and highlighted all aspects of ragging and mentioned the consequences of indulging in ragging and also being a passive witness to it. The Principal then handed over a memento as a token of our appreciation to Dr Shiva Sharan K.

The students dispersed thereafter and the Principal, Head of the ARC Dr N Kalavathy, Dr Shiva Sharan, members of the ARC, heads of various departments and senior faculty members proceeded to the board room for lunch.

The entire workshop was recorded and geo tagged photographs were taken and the same will be uploaded onto the DCI website.

From: Srinivas D.K. (drdks9@gmail.com)

To: principalrvdc@yahoo.com

Date: Wednesday, August 7, 2019, 08:42 PM GMT+5:30

Dear Dr. Asha Iyengar,

Greetings.

I thank you giving an opportunity to conduct the Workshop on Synopsis for I yr PGs. I enjoyed doing so. The students were interactive and participated keenly. I trust they were benefited.

Dr. Suma was very efficient and meticulous not only in coordinating with me but also in making all the arrangements. Dr. Joshi's inputs are also appreciable. .

Regarding the book on PG dissertation that I suggested for the library "Medical Postgraduate Dissertations -A Step- by-Step approach, by N. Anantahkrishnan, is published by United India Periodicals Ltd, New Delhi. They have branch at # 147, Infantry Road, Bangalore, 560 001.

What a lovely souvenir. Thank you very much.

With regards
DK. Srinivas

CDE Programme on

'Oral Cancer Awareness'

1848/19-20
16/08/19

The dawn of 26th July,2019 saw the congregation of renowned Oncologists at D.A. P.M R.V Dental College organized by the Department of Oral and Maxillofacial Surgery. This CDE programme wasconducted in association with Karnataka AOMSI and Yen Onco Center to enlighten the students with Comprehensive Assessment, Treatment planning, Medical and Surgical management and finally with Palliative care of Cancer affected patients.

The program started with welcome address by Dr. Sunil Vasudev, Professor & Head, Department of Oral and Maxillofacial Surgery followed by invocation of God and lighting of the lamp and was proceeded by Introduction of all the guest speakers.

The first speaker of the day, Dr. Jagadish Chandra spoke on Epidemiology, Prevention, Screening and Pathology of Oral Cancer which gave a good start for the audience to understand the concepts of identification and assessment of the cases in an efficient manner. The second lecture was by Dr. Vijaykumar, chairman of Yen Onco center, who enlightened the audience on the anatomical aspects of understanding the staging of cancer. Moving on to surgical aspects, Dr. Anjan Shah elaborated on the Resection and Reconstruction techniques and procedures related to Oral Cancer with many case presentations for better understanding of the audiences. The next part of management of Oral Cancer, being Radiotherapy and Chemotherapy was presented by Dr. Jalaluddin Akbar, who explained which cases should receive radiation and which shouldn't in great depths of the subject. The program came to a close with the final lecture by Dr. Amar Rao, who explained the importance of palliative care and the role we dentists can play in identifying and treating oral cancers. The evening came to a close with a sumptuous Lunch after which all the participants and speakers bid adieu and brought an end to this informative event. The whole programme was well executed by Dr.Deepak.S, ably supported by Dr.K.Balavikhram, Dr.Sahana M.S and all the Postgraduates of Department of OMFS.

Dear Madam,

Sub: Report of School oral health program conducted by Department of Pedodontics in association with TVS motor Company at Mysore

Our department in association with Srinivasan Services Trust,the CSR arm of TVS Motor Company conducted a school oral health program for Government school children of kadakola area near Mysore.It was a 4 day program from 23/6/19 to 27/6/19. **2017** children from 16 **schools** were examined and treated.Necessary treatments like Restorations,oral prophylaxis,fluoride applications,pit and fissure sealants and few Pulp therapies were permormed.

Oral health education also was provided to all the children and the teachers.

Myself along with **Dr.Revan Joshi**,Senior Lecturer from Dept.of OMDR, **Dr.Murali**,Professor,from Dept.Conservative dentistry, **Dr.Sudhir**,Senior lecturer,from Dept.Pedodontics attended the camp by rotation.Postgraduate students and interns participated in this program

All the arrangements including dental materials,medicines, accomodation and food for the team,permission from school authorities and parents were provided by TVS Motor company.

Thankyou for your kind permission and cooperation to conduct this program.

I also request you to kindly convey our sincere thanks to our management for their continuous support and encouragement.

I have enclosed statistics and a booklet with details along with this.

Yours sincerely,

Dr.A.Anantharaj.

Respected Dr. Asha Iyengar

We hereby thank you very much for the free dental checkup done in our school for the children from Pre KG to VII standard by Dr. Sudhir and his team. (225 Children).

Further treatment if need be, will be recommended to your institution through their parents.

Your service is highly appreciated by the management, staff, children and parents.

Thanking you once again,

With regards,

REPORT OF THE "CAMP ORGANISED AT R.V. PUBLIC SCHOOL ON 26th JUNE 2019"

DETAILS OF THE CAMP	
Date and Day of the camp	26 June 2019, Wednesday
Place of camp:	R.V. Public School
Organized By:	Dept Of Public Health Dentistry, DAPMRV Dental College
Camp timing :	10:00am-3:30pm
Team Members:	Dr. Jyotsna- Reader, Dept of Public Health Dentistry Dr. Vishakha- Post Graduate Student, Dept of Public Health Dentistry Dr. Pallavi- Intern Dr. Sreepriya- Intern Dr. Sahlath- Intern Mr. Srinivas- Camp auxillary
Total Beneficiaries:	500 school children

ORAL HEALTH EDUCATION PROGRAM:

The camp was organized by the R.V. Public School, Department of Dept. of Public Health Dentistry DAPM RV Dental College & Colgate at R.V. Public School on the occasion of **National Tooth-brushing day**.

Our team focused on imparting oral health education through the concept of edutainment. We used age appropriate oral health education games developed in our department- 'Mag Tooth Ninja' & '**Sparkyman**' for 6-8 year old children. **Mag Tooth Ninja**- It utilized the concept of

Scanned with CamScanner

learning about good and the bad oral hygiene habits by good habits sticking to the tooth ninja and the bad ones falling off it. **Sparkyman**- It utilized a higher level of learning through a board game that had multiple components of oral health in form of quiz, questions and learning facts. These games were a **desirable** learning mode for children as it was entertaining and interactive. It **motivated** the children to think, understand and then learn about the facts about oral health rather than just memorizing.

An **interactive oral health education session** was given at the end through power point presentation to reinforce the learning and as a part of their oral health curriculum. The children were briefed about **oral health and systemic health.** They were explained about **the anatomy of the tooth and common oral diseases like dental caries, gum diseases, oral cancer, trauma.** The talk ended with few of the children **summarizing** the facts that they learned after playing the games and oral health talk. The children of std IV & std V took **pledge** to brush twice daily for two minutes, on the occasion of National Toothbrush Day. As a part of **Colgate initiative**, toothbrushes were distributed among std I to std V school children.

We would like to acknowledge R.V. Public School for giving us the opportunity to educate the children about oral health. We would be looking forward to organize oral screening and treatment camps for children in future.

INTERNATIONAL YOGA DAY
21st June 2019

International Yoga Day was celebrated in a grand and joyful manner in our premises wherein the staff, students and general public participated with great enthusiasm. The following is the details of the event:

Venue: Sivananda Sarma Auditorium, R V Dental College Campus, J P Nagar 1st Phase Bangalore.
Timing: 11.00 a.m to 12.30 p.m.
Organized by: Department of Oral Medicine and Radiology
Department of Public Health Dentistry
N S S Unit of R V Dental College and Hospital.
Indian Dental Association Bengaluru Branch
SVYASA University, Jigani, Bengaluru.

Participants: Staff of R V Dental College and Hospital
Students of R V Dental College and Hospital
General Public

No of participants: 50

Details of the activity:

- Dr Asha R Iyengar, Principal, R V Dental College and Hospital welcomed the gathering and introduced
- Yoga Therapist MsSushmaVerma, from SVYASA University.
- MsSushmaVerma then addressed the gathering and enlightened them about the importance of Yoga in day to day life.
- This was followed by a one-hour Yoga session which followed the common yoga protocol as set by Government of India.
- This was followed by group discussion where the participants shared their experiences.
- Dr Revan Joshi, Lecturer, Department of Oral Medicine and Radiology, R V Dental College and Hospital concluded the event thanking all the organisers, trainers and participants for making this event a grand success.

Respected Sir / Madam,

Ref: World No Tobacco Day 31st May 2019 (Friday) Program Report.

As per the DCI notification No.DE-230-M2-2019 / 963 dated 16th May 2019 and RGUHS notification F.No.P-24 -1/ NSS/DIR/2017/1202 - 1218 dated 29th May 2019. We are here by submitting the report of the World No Tobacco day activity jointly conducted on 30th and 31st of May 2019 by the Dept. of Public Health Dentistry, Dept. of Oral Medicine and Radiology, Dept. of Oral pathology, NSS unit of DAPM RV Dental College in association with IDA Bangalore branch, RGUHS and Indian Association of Oral and Maxillofacial Pathologist .

The following program were conducted.

1. College Competition
2. Talk on Tobacco
3. Pledge Ceremony

All the programs received an overwhelming response and participation from the students and faculty of the dental institution. Details of the program are attached as annexure.

1. Program Poster (ANNEXURE 1)
2. Program Report (3 Pages: Program Summary, Participants & Prize winners, Talk on Tobacco & Pledge Ceremony) (ANNEXURE 2)
3. Photographs (ANNEXURE 3).

As an outcome of the discussion during the programme there was an expressed need to conduct tobacco cessation workshop to train the faculty and post graduate students. All the department heads were requested to redirect the patients with tobacco habit to the tobacco cessation clinic in Dept. of Oral Medicine & Dept. of Public Health Dentistry

Thanking you,

Yours sincerely,

Dr. Harikiran AG
Professor and Head
Dept. of Public Health Dentistry,
CDH, IDA Bangalore branch,
NSS Program officer

ANNEXURE-2 **Report of World No Tobacco Day Celebration**

Partners: Dept. Of Public Health Dentistry, Dept. Of Oral Medicine and Radiology, Dept. Of Oral Pathology, IDA Bangalore Branch, Indian association of Oral Pathologist & NSS Unit DAPMRVDC.

As per Dental Council of India Recommendation

BACK GROUND OF THE PROGRAM:

- According to WHO, tobacco use kills more than 7 million people around the world each year, and that number is predicted to grow unless anti-tobacco actions are increased. The World No Tobacco day focus is on to create tobacco free environment by helping people to quit tobacco, Enforcement of comprehensive bans on tobacco advertising, promotion, and sponsorship etc. For all these changes to occur there should be effective anti tobacco campaigns that will educate the public about the harms of tobacco use and secondhand smoke exposure.

ABOUT OF THE PROGRAM:

- Health professionals are ***agents of change*** for health seeking behaviour and healthy life style. We had organized 2 programs along with Oath taking ceremony.

1. **Collage Competition:** This program was organized on Thursday **30-05-2019** with a aim of exploring the artistic skills of health care professionals in delivering health related information to motivate audience to refrain them self from tobacco. (Details of the program and Photographs attached as annexure)

2. **Talk: ' Tobacco A Sinister Devil'** by Dr. B. V. Subhash, MDS PhD, Reader, Dept. of Oral Medicine and Radiology , DAPM RVDC on Friday **31-05-2019.** (Details of the program and Photographs attached as annexure).

3. **Pledge Ceremony** on Friday **31-05-2019** at Mini Auditorium, DAPMRVDC

Walkathon by Rotary Bangalore Midtown on 9th June 2019

About the event

To create awareness about skin donation, the Rotary Bangalore Midtown, in association with Prestige Group and Ashirvad Pipes, had organized a 5 km walkathon on June 9 from St. Joseph's Indian High School ground at 6.30 am.

Laxmi Agarwal, an acid attack survivor, had also participated, who is associated with the Rotary Bangalore Midtown as the official Cause Ambassador for skin donation.

Skin Bank's intention is to save thousands of burn and trauma victims but also to relieve the excruciating pain that these victims suffer otherwise as a result of burnt skin and underlying tissues. Rotary Skin Bank is the first and the only Skin Bank in Karnataka.

More than 10000 people participated in the event. Students and staff from DA PM RV Dental College, Bangalore participated in this walkathon and contributed to the success of the event.

DAPM RVDC/289/2019-20 8.6.19

CIRCULAR

In continuation with circular no. DAPMRVDC/253/2019-20, the Research Sustenance and Institutional review Board Committee for reviewing research proposals is scheduled on **12.6.19** in the **Board Room. Please note the change in timings of the presentations and IRB members below.**

In this regard, the presenters are instructed to prepare a power point presentation of their synopsis/proposal to be presented to the IRB members in the board room during IRB meeting. All presenters are instructed to comply with the given instructions for the IRB presentation.

Instructions for IRB presentation:

1. All presentations have to be in a power point format.
2. Each presenter will be given **5 minutes** to present.
3. Please note that presenters should explain their proposal in a **very simple manner** so that all members (including lay persons) of the IRB are able **to understand**. They **should not read from the slide.**
4. Each presentation will be followed by **10 minutes** of discussion with the IRB members.
5. All the presenters are requested to be present in the board room at least **15 minutes before** their presentation.

Program Schedule:

Date: 12.6.19			
Sl. No.	**Department**	**No. of presentations**	**Allocated time**
1.	Dept. of Periodontics	6	10.00am – 11.30am
2.	Dept Of Oral Pathology	1	11.30am – 11.45am
3.	Dept of Oral Medicine	1	11.45am – 12.00pm
4.	Dept of Public Health Dentistry	6	12.00pm – 1.30pm
5.	Lunch		1.30pm -2.00pm
6.	Signing of documents		2.00pm – 2.30pm

IRB Members:

The following faculty members are invited to review the research synopsis/protocols as IRB members. Details are mentioned below. We are looking forward for your valuable suggestions.

Date: **12.6.19** Timings: **10.00am onwards** Venue: **Board Room, DAPM RVDC**	
1. Adv Raghuprasad, Legal Expert	7. Dr. Veerendra, Clinician
2. Prof. S.P. Srimathi, Social Scientist	8. Dr. Subhash, Clinician

Report of the Focus Group Discussion conducted at R.V. Dental College

The research project titled "Development of a Peer-led Strength Building Program for Suicide among Young Adults" is funded by the Indian Council of Social Science Research (ICSSR), New Delhi. The aim of the research project is to develop and pilot a contextually sensitive peer led strength-building program for suicide prevention among young adults in a resource-limited setting. Investigators from the National Institute of Mental Health and Neurosciences (NIMHANS) have been working on the development of a systematic and structured protocol to develop peer-delivered suicide prevention intervention. For a successful development of a peer-led strength training program there is a need to explore the perception of mental health experts, college teachers and DMHP staffs as they are in close contact with young adults.

With this aim the research team from NIMHANS, had been to R.V. Dental College, JP Nagar to conduct a Focus Group Discussion with the teachers on the 6th of March, 2019 at 2:00pm in the institution itself. In qualitative research, Focus Group Discussion (FGD) is a form of group discussion including people of similar background and expertise to discuss a specific topic of interest. In this FGD, discussion took place regarding general ideas and perceptions about suicide prevention among young adults and how a peer-led intervention will be able to facilitate the same. Prior permission to conduct the FGD was taken from the college principal and the procedure was coordinated with the help of Dr. Revan Joshi, Senior Lecturer, Department of Oral Medicine and Radiology, R.V. Dental College. Around 16 of the faculty members of the institution had attended the FGD. Before beginning the FGD, the procedure and the aim of the project was briefed to the participants, and consent was taken from them in written. Questions prepared by the investigators for the FGD covered the topics of the causes of suicide among young adults, methods to identify the symptoms and ways prevent them and the efficacy of a peer-led suicide prevention intervention. Effective brainstorming discussion took place for about an hour (53minutes). Various views from the participants of the FGD were collected by audio-recording.

The valuable views and opinions of the teachers regarding the peer-led suicide prevention intervention to be designed for young adults for suicide prevention would be taken into account by the investigators while framing the guidelines of the interventional program. It was an extremely insightful session of an hour that would help the investigators in proper planning of the next phase of the research project. The effort and the time of the teachers of

Report on Visit to Showa University, Japan, 27th March – 3rd April 2019

MOU Signing Ceremony for Faculty & students Exchange Program between D A Pandu Memorial R.V.Dental College & Hospital and Showa University School of Dentistry, Showa University

The meeting started with Opening Remarks from both the sides i.e. from Dr.Takashi Miyazaki, Dean, Showa University & myself followed by Video presentation of Showa University Dental School and a brief Presentation and introduction of our College by myself. Later the MOU signing Ceremony was held & the program ended with group photo of all the participants.

The purpose of this MOU is to allow:

- The faculty and student to study in a specific clinical department in one of the Showa University's hospital and learn about the latest treatments and technology being used there.
- The faculty and students of our institution can visit one specific department of Showa University School of Dentistry to observe the management protocol and the technology used in treating patients

&

- Researchers to collaborate with faculty members at Showa University and conduct research with the goal of future publication and / or Presentation of the results. Research collaboration with departments of interest at Showa University

By participating in this international training and research program:

- This knowledge will help advance their career of the participants and improve the quality of medical care / research in their home institutions.

PRINCIPAL
D.A. PANDU MEMORIAL
R.V. DENTAL COLLEGE

Scanned with CamScanner

- Participants will benefit from the collaboration to advance their career. Participants can interact with other University faculty who have similar exchange programmes with Showa University
- This was followed by a Tour of International Exchange centre and visit to dormitory.
- The dormitory is located within walking distance from Showa University campus. Showa University also guarantees free housing to international fellows who stay for full one year and for less than one year (if dormitory is available) . For a fellow who stays for less than one year may also be eligible, if space is available. Housing is limited to 12 dormitory spots.
- We are proposing to send 6 – 8 interns in batches of two - three from June 2019 subject to availability of the dormitory accommodation. The faculty of the International Exchange said that they may consider sending their students in April 2020 to DAPMRVDC as a part of elective program in their circular. There students would be given a stipend which would take care of their living expenses in Bangalore.
- This was followed by a visit to the Oral Radiology Department of Showa University Dental School and interaction with faculty and students.

I also had an opportunity to visit two Radiology departments at Tokyo Dental College and Tokyo Medical Dental University . Prof. Okano is a Consultant Radiologist at Tokyo Dental College facilitated the meeting with the Dean of Tokyo Dental School , Tokyo.

The Dean of Tokyo Dental College has orally agreed to allow student exchange at their institution a part of the overseas training programme and he [illegible] that the MOU can be finalized at a later date. This exchange may be considered in April 2020.

Sub: Report of the colloquium "Learning & teaching Public Health in US- Challenges and opportunities for an Indian Dental Student" by Dr.Nithya Ramesh on 29/8/18

Respected Madam,

At the outset, the department of Public Health Dentistry would like to thank you for the permission and support extended to conduct the colloquium on "Learning & teaching Public Health in US- Challenges and opportunities for an Indian Dental Student" by Dr.Nithya Ramesh for the undergraduate students. A total of 60 students benefited from the program.

A one to one interactive informal discussion was also conducted in the department of Public Health Dentistry for those students who were very interested in pursuing higher education in US. Around 15 students studying in third year, final year and internship personally interacted with Dr.Nithya. Discussions were had about the possible ways to pursue higher education in dentistry and allied health professional fields, course expenditure, and the living experiences along with the cost of living in United States and other countries globally.

To host the program, the expenditure incurred was Rs.1000. This was the expenses towards memento and snacks arranged for the guest and the participants. We are attaching the bills for the same.

This was the good program for the students, as 10% of RV Dental College students every year are planning for the abroad studies. Students who are interested in studying in abroad countries really benefited from this program. We are looking forward to your feedback and continued support conducting similar programs benefitting the students and faculty alike in the times ahead.

Feedback from the students on **Communication skills workshop**
Session conducted on: 20/8/18 9.30 AM to 11.30 AM
Resource person: Mr. Raghotham Rao

1. 93% of the students have rated the session very helpful

2. The key factors which facilitated the learning process were:
   a. Enthusiasm, humor, inspiring, positive attitude and knowledge of the speaker.
   b. The importance of learning communication skills, a topic which is often neglected
   c. The use of anecdotes
   d. Activities undertaken
   e. Interactive session

3. The take home messages identified by the students from the workshop
   a. How to communicate with the patient and make them comfortable
   b. Different perspectives and empathy
   c. The importance of observation
   d. Clarity of message
   e. How important it is to process information before giving an output and how important developing communication skills are
   f. Always think before communicating with anyone.
   g. Patience and how to transform any negative comments as a way of improvement.
   h. Being a humane doctor
   i. To take negative feedback into a positive way and to observe things and learn from our surroundings. To think before you speak or ink and to have logic in your actions.

Feedback from the students on **Ethics & Professionalism workshop**
Session conducted on: 20/8/18 & 21/8/18 for 3 hours duration.
Resource person: Dr. D K Srinivas & Dr. Olinda Timms

1. 94% of the students have rated the session very helpful

2. The key factors which facilitated the learning process were:
   a. Group activities – The situations given in the group activities made us realize the importance of ethics
   b. Enthusiasm of the speakers
   c. Interactice session

3. The take home messages identified by the students from the workshop
   a. Ethical values – altruism, empathy, reflection. compassion and patient safety
   b. Being professional, courteous
   c. Duty comes first
   d. Punctuality and competence
   e. Accountability, honesty
   f. Choosing the right thing to do
   g. Not to forget ethics in daily life
   h. To be a human with values and generosity

ORIENTATION PROGRAMME OF I BDS

JULY 2019 BATCH

DATE: 27-08-2108

REPORT

The orientation programme for the I BDS students of July 2019 batch was held on 27-08-2018. A total of 35 students attended the orientation programme along with their parents.

The welcome address was given by the Principal ,Dr. Asha R Iyengar ,who briefed the audience regarding the college and the faculty . She explained the facilities available in college as well as gave an overview of the rules and regulations of the institution. The master of ceremonies Dr. Sarita Yanduri, introduced the I BDS faculty including the associate deans , UG committee head ,student welfare head, hostel wardens ,librarian and the office staff incharge of the student section. Dr. Bhagyalakshmi, Professor and Head ,Department of Anatomy explained the first year course to the students . Dr. Veerendra Kumar B , Professor and Head, Department of Oral and Maxillofacial Pathology , briefed the students regarding the Indian Dental Association and the benefits including the scholarships that they may avail by becoming members of the same.

The students then introduced themselves to the faculty. It was interesting to see that there was a mix of students from different parts of Karnataka and India. The students also explained the reasons why they had chosen DAPM RV dental college as their college of choice and also mentioned their hobbies. The vote of thanks was delivered by the Vice Principal Dr. Shashikala K . The audience then joined the faculty for refreshments .

During the tea break the office staff distributed the timetable and the calendar of events along with details of the BDS curriculum.

The orientation programme concluded with a tour of the college for both the students and their parents .They were shown the classrooms , the different departments as well as the library.

The program would be an informative session for the budding dentists as it would be equipping them with the skills to provide tobacco cessation making them a differentiator.

The program is designed in 3 sessions for 3 different days. Each session is for duration of 1.5 hours. **All the Department HODs are requested to permit the interns to attend the session and to inform the interns to avoid patient appointments on the specified date and time.** The details regarding the session are as follows:

Date	Time	Duration	Venue
16.8.2016 [Tuesday]	1:30pm – 3:00pm	1.5 hours	Lecture Hall
23.8.2016[Tuesday]			
30.8.2016 [Tuesday]
